The category is determined by the last two letters of the infinitive:-ar verbs (like hablar) -er verbs (like comer) -ir verbs (like vivir)The infinitive is the base form of the verb, such as to speak, to eat, to live, etc. In Spanish, all infinitives end in -ar, -er, or -ir.-ar verb hablar (to speak)-er verb comer (to eat)-ir verb vivir (to live)To conjugate a verb means to manipulate the infinitive so that it agrees with the different possible subjects. Here is the present tense conjugation of the infinitive "to speak":to speakI speak you speak he speaks she speaks we speak you-all speak they speakThe present tense in Spanish can mean three things. The Spanish phrase "yo hablo" can mean:yo hablo I speakyo hablo I am speakingyo hablo I do speakMany Spanish verbs are completely regular, meaning that they follow a specific pattern of conjugation. In this lesson you will learn to conjugate regular -ar, -er, and -ir verbs (in the present tense). Before you can do that, you must memorize the following subject pronouns:yo (I) tú (you - informal) él (he) ella (she) usted (you - formal)nosotros/nosotras (we) vosotros/vosotras (you-all - informal)ellos/ellas (they) ustedes (you-all formal)For a review of the subject pronouns, click here.Spanish infinitives are divided into two parts; the ending and the stem. The ending is the last two letters. Remember, all infinitives end in -ar, -er, or -ir. The stem is everything that's left after you remove the ending.habl + ar = hablar com + er = comer viv + ir = vivirIn this lesson, we will use the model -ar verbs: hablar. In Spanish, you conjugate verbs by changing the ending. If the subject is I (yo), conjugate by dropping the ending and add -o.yo hablo (hablar - ar + o = hablo) I speak, I am speaking, I do speakIf the subject is you - informal (tú), conjugate by dropping the ending and add -as (for -ar verbs),tú hablas (hablar - ar + as = hablas) you speak, you are speaking, you do speakIf the subject is he (él), she (ella) or you - formal (usted), conjugate by dropping the ending and add -a (-ar verbs).él/ella/usted habla (hablar - ar + a = habla) he speaks, she is speaking, you (formal) do speakIf the subject is we (nosotros/nosotras), conjugate by dropping the ending and add -amos for -ar verbs.nosotros hablamos (hablar - ar + amos = hablamos) we speak, we are speaking, we do speakIf the subject is you-all - informal (vosotros/vosotras), conjugate by dropping the ending and add -áis for -ar verbs.vosotros habláis (hablar - ar + áis = habláis) you-all speak, you-all are speaking, you-all do speakIf the subject is they (ellos/ellas) or you-all - formal (ustedes), conjugate by dropping the ending and add -an (-ar verbs).ellos/ellas/ustedes hablan (hablar - ar + an = hablan) they speak, they are speaking, you-all (formal) do speakAs you can see, to conjugate regular -ar verbs, simply drop the ending (-ar) and add one of the following:o as a amosáis as an Click to Generate Unique Quiz Verb conjugation in tens of languages: English, French, German, Italian, Arabic, Japanese, Latin, Spanish etc. Use this free web conjugation service as much as you need!
