See all in key concepts in series Literature one there are many complementary reference works (ie dictionaries, encyclopedias, stories) that deal with literary theory in the reference section of the Library between the PN44 and PN86. Here are some particularly useful titles: a contemporary literary theory glossary REF PN44.5.H37 2000 The Columbia Dictionary of Modern Literary and cultural critique Ref PN81.C656 1995T Encyclopedia of contemporary literary theory: approaches, scholars, terms ref pn81.e54 1993T The Cambridge History of Literary Critique REF PN86.C27 1989 Due to "Theory" is a very broad term, relevant for students in many disciplines, beyond literature, you will also find a series of useful books in other parts of the collection of Reference, for example, to Dictionary of Cultural and critical theory (Ref HM101.D527 1996). Finally, keep in mind that each call number in corresponds reference collection to a call number between the shelves. So it is worth going up to the fourth floor and browsing through PN 44 to PN 86 range, where there is a large number of books on literary theory. Some particularly important resources are: Lentriche, Frank & Thomas McLaughlin, EDS. Critical terms for the literary study. PN81.C84 1995. Barry, Peter. Theory Start: an introduction to literary and cultural theory.â, PN81.B367 2002 Bressler, Critica Charles E. Literary: an introduction to theory and practice.â PN81.B666 1999, a literary theoryÂ e is the body of ideas And methods we use in the practical reading of literature. In literary theory, there is no reference to the meaning of a literary work, but for the theories that reveal what literature can mean. Literary theory is a description of the principles at the base, you could say, the tools with which you try to understand literature. Every literary interpretation is based on a foundation in theory, but can serve as a justification for very different types of critical activities. These are literary theory that formulates the relationship between author and work; Literary theory develops the meaning of race, class and gender for literary studio, both from the point of view of the biography of the author and the analysis of their thematic presence within texts. offers literary theory different approaches for understanding the role of the historical context in interpretation, as well as the relevance of linguistic and unconscious elements of the text. Theorists of the literature retrace the history and evolution of the different narrative genresÂ e, dramatic, lyrical in addition to the most recent appearance of the novel and the story, but also to investigate the importance of formal elements of the literary structure. Finally, literary theory in Years tried to explain the degree in which the text is more the product of a culture of a single author and, in turn as those texts contribute to creating creating culture.
