Franz-Hoyt in a world called perfect, everyone gets along the money grows on trees and we never get ill. In a world called perfect, no one gets tired, or hungry or old. In a world called perfect, everyone is happy, no one is sad, and memories never vanish. Unfortunately, we don't live in perfect, we live today. Where people don't get along, money is difficult to come, and we get sick. People get tired, we are hungry, and aging. Everyone is not always happy, some people are sad, and our precious memories can vanish. Regardless of the world you live, remember, remember that you are Á ĉ ä,~ Á "PerfectÁ ĉ ä,~ ä" ĉ in my world! The term refers to rhyme identity or similarity of sound between accented syllables.Á words with similar sounds but not identical (as a mystery and dominion, now try and beat) are called oblique rhymes, rhymes It's close, or imperfect rhymes. Á A verse NOW ProSea passage in which all rows contain Samea rhyme is called aA monorhyme. When you rhyme occurs in prose, usually it serves to underscore the words in a sentence. Alternate spellings: rhyming poetry, literature, and even children's stories are an excellent vehicle for the use of rhymes, as the following examples show. "Yes, the zebra is fine.But I think it's a shame, such a wonderful beastWith a cart that is so tame.The story would really be better hear! the driver I saw were a charioteer.A gold and something blue the chariot to meet you, thunderclap down Mulberry Street!" (and to think that I saw in Mulberry Street, 1937)" whose woods these are I think I know, his house is in the village I though.He will see stop here, to watch his woods fill up with snow (" stopping by woods on a Snowy Evening " ) - " a veritable barrage of odors, consisting of odors deep fat sharp, shark fin, wood sandalwood, and open drains, now bombed our nostrils and we found ourselves in the thriving village of Chinwangtao Each type of object imaginable was being offered by street vendors - wicker, noodles, puddles, hardware, leeches, trousers , peaches, watermelon seeds, roots, storage them, flutes, coats, shoats, ermine, also the first vintage phonograph discs. " (Westward Ha! 1948) "The Rime of popularitie c. Reates as many poets hot summer flies "(1602). The only poet who completely solved the 'orange' problem was Guterman Arthur, who wrote in Gaily the Troubadour: In Sparkhill lies buried that ' markWho the man brought the Obelisk in Central park, Redoutable commander HH Gorringe, whose name provides the rhyme-long searched for. "orange" below is a list of words difficult to rhyme. See what you can do with them. . .Orange and lemon liquid bowl Widow Niagra (The game of words. Grosset & Dunlap, 1972) linguists and academics As rhymes work in a variety of formats, as these selections show. "Most of the common rap rows are final rhymes, those rhymes falling on the latest joke of the musical measurement, signaling the end of the poetic line. Two lines in in With terminal windows include a display, the most common rhyme scheme in the anti-school rap. . . . "Rhyme is the reason why we can start feeling a pace only by reading these lines from the success of the 2007 of the 50th century" I getting money ..." Abandon the tan? I'm already black. Rich? They are already so / gangsta, take a gat, hit a head in a hat / call that a rap rap .... "The first line establishes a syllable scheme underlined in later sentences ("GiÁ black", "already") leading to the next two lines ("take a gat, hit a head, in a hat, rudle rap"). Three of these four sentences end up Rima, a perfect rhyme ("Gat" and "hat") and the third a tilted nursery rhyme ("rap"). The overall effect of performance rewards our anticipation by balancing the expectation and surprise its sounds. "(Adam Bradley, Book of Rhymes: The Poetics of Hip Hop. Basicicvitas, 2009)" Delobera Rhyme in prose is fun if the topic is light. Accidental rhyme seems careless, the product of a writer with a tin ear. In serious or serious material, in rhyme game of words in general seems to be inadequate and at least not very dignified, if not repellent. "Rewriting a passage that appears elsewhere in this book... ." Which does not go into that phrase: the unconscious rhyme of the nation and the generation. The remainder deliberated for the special effects can be pleasant: Rhyme unaware almost never is. Here the rhyme constitutes an unintentional poetic cadence - nation or generation had to go. The nation was easier, and finally rewriting laws, "technology could have freed us from conventional war, which in the past has consumed the whole country and destroyed an entire generation." ("The book on writing, Marion Street, 2003 ) "Test with children have found a correlation between the difficulties of reading and the insensitivity in rhyme. The discovery indicates the importance of the rhyme in the young readers to trace Analogies between shapes written in English (light and struggle). The tests of the identical twins suggest that the insensissivity in rhyme can be an inherited phonological deficit. "(Psycholinguistic: the key concepts. Routledge, 2004)" The romance of the rhyme does not simply consist in the pleasure of a jingle, even if this is a pleasure that no man should be ashamed. Surely most men have fun in it, if they are ashamed or not. We see it in fashion bigger than prolonging the choir of a song with syllables as "Runny Tuntzy" or "Tooral Lornal ". We see it in a similar way but later to discuss whether a truth is objective or subjective, or if a reform is " Constructive or destructive, or if an argument is deductive or inductive: all to bear witness to a very natural love for those nursery rhymes that creates a sort of songless song, or at least without any kind of intellectual meaning. "( " Romanticism of the rhyme ", 1920)" If the correspondence of the sounds was accurate, it is called perfect rhyme, or 'full' or 'true rhyme'... Many modern poets... Deliberately integrate perfect rhyme with imperfect rhyme (also known as 'partial rhyme, 'or as' near rhyme,' inclination rhyme,' o 'pararhyme')... In his poetry 'the force that through the green fuse guide the flower "(1933), Dylan Thomas USA, very effectively, very reasonably rhyme approx IMATIVE AS (with male terminations) Trees-rose, rock-wax, tomb-worm and (with female terminations) Flowinine-Destroyer-fever.
