Barsat film song bestwap

Photo Courtesy: Silver Screen Collection / Getty Images It's always exciting when a new sequel is released. You can see your favorite characters once again in a new "or not so new" story. Sometimes, however, the sequels seem to continue forever. After a while, you're not sure where it started! Continue reading for movies with most of the aftermath of history. Some are five, about fifteen, and a little over twenty. Can you guess which movies they'll be? Halloweenone of the most successful film series in the horror genre is Halloween, currently in 11 total movies. When he first launched in 1978, the spectators were horrified and intrigued by the suspenseful story of the serial killer Michael Myers, one that apparently never ends. Photo Courtesy: Sunset Boulevard / Getty Images The first film influenced many slasher movies to come and remains a fanatic favorite. Two more films will be released in the coming years: Halloween Kill and Halloween Ends. But will it really be the end of Halloween sequels? Only time will tell you. Today the film in the Batman series may not be technically qualified as a sequel, but the pure number of them is impressive in itself; there are 14 Batman movies dating up to 1943. In fact, Batman's first films were a form of World War II propaganda. Photo courtesy: Antman3001 / Flickr Some great names in Hollywood have played this stoic hero over the years, including the Christian paca, George Clooney and Ben Affleck. There are also inspired films focused on the Batman Nemesis, the Joker, most recently played by the talented Joaquin Phoenix. Star Trekwhile Star Trek was a first series, also performed in multiple feature films. 13 of them, to be exact. Certainly, the films have been successful, but they are not as well known as the classic series starring William Shatner as Captain Kirk. Photo courtesy: Marc Berry Reid / Flickr It seems that no matter how the advanced costumes and special effects, audiences are still attached to actors the characters. Even so, Star Trek has earned a name for himself as a series (and films) with some of the most sequelae of all time. A nightmare on Elm Streethallowen is not the only horror movie with a daunting number of sequelae â€” A nightmare on Elm Street has nine terrifying quotas that deserve a scary movie marathon. The plot has some similarities with the first, too: a serial killer hunts the children, only he is dead. Photo courtesy: A Âµ'Áoo / Flickr Despite being burned on the stake, Freddy Krueger has not finished causing havoc on sleeping children. The last movie was in 2018, but who knows? We could have any number of cut sequelae in the future. If it's something like Halloween, it'll last for many more years. The Wolf Manthe Manthe Manthe series Wolf ManThen Follow Count Waldemar Daninsky, a werewolf, who often gets into trouble with other freaking monsters like vampires and even Frankenstein. These films were released under different names throughout Europe and made fair profits. Photo courtesy: Alfredtuzz: B / Flickr The interesting thing about the wolf sequelae of the wolf is that they do not kidnap in the purest sense: each film, despite starring the same character, has a different story and background. This was initially confusing for many fans, but it allowed more creative freedom during the writing process. A total of 11 films were published. The land before Timethe Land, before time, inspires childhood memories for many gencos and millennials, but it is likely to be even younger family. The most recent sequel was launched in 2016, number 14 in the series. Photo courtesy: kaikoprez / flickr The original film came out in 1988 and followed a group of young dinosaurs in a fantastic adventure. He taught important lessons on prejudice, friendship and loss, while imagining the life of prehistoric creatures. With a unique plot, it's no wonder it lasts so long.COMOS CLUJANDING Many successful film series, the planet of apes inspired a loyal cult that continues in its peak. The original series was composed of five films launched between 1968 and 1973. He protected Charlton Heston in his discovery of a strange future where apes run the world instead of humans. Photo courtesy: CBS Television / Wikipedia Recently, the series saw a reboot of three complete new films with advanced CGI and links to the original series that Die-Hards would surely not miss. There have also been books, comics, video games and a series of television series inspired by films. The quick and the furious, they just want to see great cars and intense action scenes, and that's exactly what I'm going to do. Get if you buy a movie ticket on the quick saga. A large total of nine films have been made in this series since 2001, fast and furious, and are not even close to being made. Photo Courtesy: Mcadew / Flickr There are at least three more films in the works, including one that is set to be totally focused on women. That could be a welcome change to men-dominated films, paving the way for more inclusive films in the future. In the war, you're not in the Star Wars car for now, so you're in the minority. Since the first film was launched in 1977, fans have become positively crazy about the saga of space fantasy. Since then, it will accumulate ten more films, never to make big dollars in cinemas. Photo courtesy: Kamikazoww / Wikimedia Commons Ask any Star Wars fan, and they will have a favorite character: the astute princess Leia, Luke Skywalker of good heart, the wise ioda or one of the many other central characters! Fans have shown that they will never get enough of the Force. Friday Time Rolls October 31st around, you'll probably see people passing through the popular horror films. Often, they are released exactly on Friday 13, which makes them see in the theaters even more exciting. There's no less than 12The 13 cinema. Photo courtesy: Arden / Flickr History is not nice, as you can probably guess. Everything begins with the alleged drowning of a child in the camp, which returns with a vengeful spirit. It is the perfect movie for a scare with friends, and never get older! Harry Potterthe Harry Potter Series will not only rochere to the literary world; He also made a splash in the cinematics. Given how fierce after it already existed for Harry Potter in the launch of the first film, nobody was surprised by him immediately. Photo courtesy: Iona Higgins / Wikipedia Fans saw the movies. Three protagonists grow before their eyes, and the fans grew next to them, in many cases. The final book was held in two movies, ending with eight total movies so that the spectators enjoy. That did not count on the prequels, either. The rocky series was a basic element for the oldest generations, with many films launched during the 70s and 80 years, but the movies managed to open their way to the 21st century to the good. They have been so popular that even the youngest spectators are likely to know the iconic rocky song. Photo CORTESY: Michael Ochs Archives / Getty Images There are a total of eight movies in the series, full of inspiring training assemblies and fight scenes by GUT. If you are trying to pump or start a new gym routine, you can not go wrong with these movies. Do they make them different from all others? This is essentially the premise of the X-Men: Certain people have powers, and they are swept in a world of heroism and fight against crime. Photo courtesy: Bagogames / Flickr This idea resonated both with the fans that lasted 12 installments since 2000. The best part is that the crew of X-Men is formed by many different characters, which means that some movies focus on Different Her Roes. There is a variety, suspense and intrigue, so prepare *, this it could continue during Decades.Superman Superman is one of those series that defined American society. After all, it's been a radio show, TV show, comic and almost everything else you can imagine. The man himself is one of those timeless characters in the popular culture that keeps coming back for more. Photo courtesy: Antman3001 / Flickr So, what is the official number of Superman movies? Seven in total, if you look like a small number, but don't worry, there will be more. No one is ready to let go of that Blue Leotardo and Red Corporal. out of place It's not exactly a family friendly movie, the plot focuses on a group of friends who try to lose their virginities, but their raw comedy hit home with audiences all over the country. Photo courtesy: universal images / images of Getty If the title sounds familiar, it is likely that they look it from a popular song by Don McLean. It also refers to a specific scene in the movie, but you will have to see it to find out. If you've ever sat me through a saw movie, you know that around every corner is a dreadful, traumatic scene waiting for it to happen. In fact, that's exactly what viewers pay to see. Do the fingernails go through people's fingers? Great, if that's what you're in. Photo Courtesy: Mubarak Althani / Flickr This franquicia of twisted horror has produced nine films since 2020 from the organ donor. Audiences can only imagine what terrible events will transpire at that time. The Kidnow karate here is a child friendly movie. He only has five films in the series, one of the smallest numbers on this list, but that doesn't mean he can't reach others in the next few years; the last delivery came in 2010, so a new karate Kid movie could justDue too. Photo courtesy: Columbia Pictures / Getty Images The original 1984 film also inspired a television program and launched Ralph Maccio's acting career. He also had an important lesson to teach: that dominating the mind is more important than the body. Tom and Jerry, Tom and Jerry began to be a series of television, but also inspired 12 movies from 1993 and ending in 2015. At least, until they make a new one, there are rumors of a live action version that it comes in the future. It seems that there is no end to the Hikings, this couple can enter! Photo courtesy: Momokacma / Flickr These movies owe their success to the diverse audience that attract; Adults and children are rigging from these characters. After all, what can be more entertaining than a cat and mouse game? The Police Academy Academy films from the police academy are in the oldest end: they have not made any new sequel since 1994. In their time, however, they were a paste. These comedy films were about a group of Wannabe policemen trying to do it at work. They got into all kinds of problems, they often tear down in the process. Photo CORTESY: Archive Photos / Getty Images There are a total of seven movies from the police academy along with a couple of attempts from a television series. Unfortunately, this franchise has not made a return, although the movies like Super Troopers have many similarities. The total of the six films of characters of Madex Simmonsi, which makes Tyler Perry's movies, as much as Madex Madex She is a grandmother too strong, of hard love, with an attitude, and resonates with many spectators. Photo courtesy: NBC / Getty Images The comments of her and sincere lessons have made 11 successful films throughout the years. People love listening to Madex to say that she is so, even to the point where you are going to see her in a work. Thus, 11 plays of theater have also occurred, many of them based on the movies. Yogi Bear When you think about it, what could be better than a speaking bear? Apparently, nothing. Yogi Bear was the first animated television character to unexpectedly exploit in popularity at the end of the fifty years. In fact, Yogi was originally a supporting character to Huckleberry Hound. Photo Courtesy: Mark Anderson / Flickr Nowadays, however, Yogi has proven to be the United States's favorite for a long shot. There are 11 yogi bear movies and count, along with several television programs, including the Yellowstone 2020! The cousins of real life of him are not so attractive. Spiderman Another famous Superhé Roe, Spiderman, has eight movies to the name of him. He originally he was a comic character but he did it on the big screen to relive the criticism. People of all ages love the Tutor in New York. Courtesy of photos: Cristian Bortes / Wikimedia Commons Why is it so popular? It may be because, unlike other superheries that carry the layer for revenge or because they are an almighty being, Spiderman is just a regular child who tries to survive, and even after becoming a superhéro. Â © L still has daily problems. It is not surprising that the crowd keep coming back for more. The muppets can not only find the muppets in a total of eight movies, but you can also see them in 27 television specials, as well. That's a lot of air. But that's not all! Take a look at your 11 television specials, two television films and three films to video. With that amount of content, you could spend months watching only muppets. Photo courtesy: Pxfuel there is something about these animated tarers and his stupid comedy that people people Love to look. kermitt the frog has had appearances on tonight's show, larry king live and American idol. sherlock holmes if there's a series of movies that could continue forever, it's sherlock holmes. 1939 original films had no less than 14 quotas, and that does not include any movie made after 1946: the sherlock character dates back to the end of 1800 with the original novels of Sir arthur conan dale, and the most recent film of sherlock was released in 2018 (holmes and watson.) photo courtesy: hulton Archive/Getty images with a life of more than 100 years, the number of movies, TV shows and shorts modeled after this character are many, in fact. Will the audience of this genius get tired? Or sherlock will live forever? Who could forget it? bond has become an iconic film character played by seven different actors in a 57-year-old life cycle. He was famous for being connery in the early 1960s and was recently portrayed by daniel craig. photo courtesy: joban Oomen/Flickr what some do not realize, however, is that bond was originally a literary figure created by Ian Fleming. Initially a boring man in the late 1930s, the bond character has become a hard and gentle man who speaks of womanizer surviving through 26 films. There's no need to say that these films have made billions of dollars in profit. godzilla's first movie was released in 1954. This prehistoric monster has now reigned over cinema for more than 50 years, with a total of 35 films produced, more than any other franchise of cinema by most counts. as technology improves, godzilla only becomes bigger, more terrifying and more realistic, and it seems that the public cannot get enough.
